EDUCATION

Rajiv Gandhi College of Engineering

Bachelor of Engineering in Computer - 7.21 GPA

May- 2024

- Bachelor of Engineering in Computer Science, First Class, with hands-on experience in web development and application design

Padmashri Dr Vithalrao Vikhe Patil Institute of Technology

Diploma in Computer Technology - 92.86 GPA

2021

- Awarded a Certificate of Appreciation for successfully completing the State Level Online Quiz Competition on Programming in Java (22412), organized by the Department of Computer Engineering, Government Polytechnic Ambad, with a passing percentage of 94% on May 28, 2020.

Kai. Sant Haribhau Anandrao Ghadge Patil College

HSC (Science)

2018

AHMY Dedgaon

SSC

2016

SKILLS

- Developer Tools: VS Code, IntelliJ IDEA, Eclipse, Sublime Text
- Technologies/Frameworks: React.js, Spring Boot, Bootstrap, Tailwind CSS, PHP (basics), Core Java
- Database Management: MySQL, Oracle
- Version Control and Deployment: Git, GitHub, Vercel, Netlify
- Other Skills: Responsive Design, Cross-Browser Compatibility, User Experience Optimization, API Integration, Problem-Solving, Web Performance Optimization, Frontend-Backend Integration
- Java and PHP Basics: Core Java, PHP (CRUD operations), Object-Oriented Programming (OOP), Database Interfacing

PROJECT

Satalkar Hospital

- Designed a responsive healthcare platform with a user-friendly interface.
- Focused on intuitive navigation, mobile and desktop usability.
- Enhanced user experience with interactive elements and optimized performance.
- Prioritized key information for easy access, ensuring smooth cross-browser compatibility.
- Technologies: HTML, CSS, Bootstrap, JavaScript, React.js

Gokhale Constructions

- Developed a responsive website showcasing construction services, optimized for multiple devices.
- Focused on clean and professional UI/UX design to reflect the brand's identity.
- Implemented interactive features, including navigation menus and responsive image layouts, enhancing user engagement.
- Designed a scalable layout to accommodate future content additions seamlessly.
- Technologies: HTML, CSS, Bootstrap, JavaScript, React.js
